**1. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)**

I am a customer on the Tega Cay Water Service system that is requesting a rate hike.

**2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)**

I am protesting the rate hike request by our water & sewer provider known as Tega Cay Water Service. This company has been awarded rate increases in recent history with the understanding that the increases would be used to improve water quality and service. I have not seen any improvement in water quality or service. I strongly feel that it would be a great injustice to us, the consumers, for the PSC to grant any increase until the Tega Cay Water Service live up to its previous commitments.
